

## Test and Teach Day with Les Smith

Sunday 11<sup>th</sup> March 2018

At Cousland Park Livery and Training

Come and practise before your test before your next competition with Les Smith, a BD list 2 dressage judge. Les is also an FEI 3/4\* Eventing Judge and travels the world to judge.

Pick a test, complete your entry form and let us know what test you want to ride. We aim to have all 20x40 tests first and then 20x60 tests later in the day. We have most BD test sheets but need to know which test you want to ride on the day to make sure we have one ready for you. If you want to ride a BRC test or a BE test you may need to bring your own score sheet.

On the day you will get the chance to warm up in a shared arena and then have 30 minutes individually with Les to ride your chosen test. Les will then run through your test with you, working on areas that you could improve on. You may want to run through the test again at the end of your 30 minute session if time allows.

Open to all Riding Club Members

**Cost:** For Riding Club Members £35 for a 30 minute session
