

Scottish Dressage Group – Newsletter February 2016

Competition Update

We are looking forward to hopefully seeing some of you at our upcoming February show. The weather has been miserable, and we know that some of you have been struggling to keep your horses fit, so fingers crossed for some sunshine on 7 February!

As you all know by now we have taken the decision to cancel the show on Sunday 6 March. This is due to the British Riding Clubs Intermediate Dressage Qualifier being held at Rockrose (more details below).

Our last winter league show will be held at Cousland on Sunday 3 April. We will then start our summer dressage league evenings which have proved extremely popular in the past. They will be the same format as previous years (informal dress, no need to plait etc) and we will use the same tests throughout the series to show your progression and improvements over the summer. They will start approximately 5pm each evening and will run the following dates:

- Wednesday 4th May
- Wednesday 1st June
- Wednesday 6th July
- Wednesday 3rd August
- Wednesday 7th September

If you are interested, please contact Claire via email at Clairewx@hotmail.com before Wednesday 10 February. Schedule with eligibility details can be found at the following link:
